The Association "Officina della Cultura", since years operate in Carnello, small centre on the Fibreno river, with the intent to reappraise and to introduce the cultura I heritage of the territory, centre of great paper mills now completely in disuse, promotes the "XXXVII FIBRENUS PRIZE "- "Carnello cArte ad Arte " carving competition.

The idea originals was born and developed around the passion for art and paper, source of work and wellnes for the whole territory of the Fibreno and Media Valle del Liri starting from XVIII century up to 1970. The binominal paper/art, has leaded the Association members to the decision toward the engraved graphic, as ductile tool to express the issues of the contemporary research and to trace in history it 's roots.

Identity, history, territory and the evidence of the signs left by man during the XIX and XX century is the leit motiv around which artists are invited to compare.

Starting from these inescapable premises the following theme is proposed:

## LIMES

### cultural limits at the end of a world

The aim is to understand the everyday life problems and overcome, through the tools of art, the worrying sense of precariousness that pervades the contemporary life.
